NOTES

1. All instructors will give a comprehensive final exam or hold a meaningful culminating activity, representing a significant portion of the student's grade in the class.
2. Comprehensive evaluation requires comprehensive preparation on the part of students; both are excellent learning activities, especially for the college-bound student.
3. Two-hour and 5 minute exams allow for thorough evaluation in both academic and lab classes.
4. All students must be present in all classes according to the final exam schedule.
5. No breaks outside of the classroom are to be given during the two-hour session.
6. Afternoons are needed by students for study.
7. Zero "0" period classes have been arranged outside of the exam schedule with the appropriate teachers, to lessen the impact on this final exam schedule.
